The atmosphere was nice and the quality of the sushi was excellent. Not like the ones you get at these buffet places where it tastes like it was frozen. Service was very good. I will definitely return. Especially 1/2 price sushi Sunday! [read more](#). At Volcano Steak [Sushi](#) Woodstock in Woodstock, *tasty, juicy, delicious meat is freshly grilled* on an open flame and served with fine sides, tasty particularly are the Maki and delicacies like **Inside-Out** that this restaurant is known for.
