What [User](#) likes about The Plant Lab: our whole food was creatiw and delicious! it is difficult to find fully vegan Japanese plants, and this has not disappointed. the handrolls were divine. the tonkatsu was incredible. I just wish I had a little more omni dick (or less rice). I had a lot of tears.) try it! [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. If you want to spoil your palate with a bit of culinary flair, this is the place to be: The original **Asian fusion cuisine** of the The Plant Lab from Los Angeles - a delicious combination of traditional and the unexpected, and a lot of freshly harvested vegetables, fish and meat are used to cook easily digestible Japanese menus. The preparation of the menus is done authentically Asian, and you may look forward to the tasty classic [seafood](#) cuisine.
