What [User](#) likes about Whales Tail:

4 stars only. The food was really good but otherwise on the pricy side. There was 4 of us eating and we got the cheapest things we could. One hamburger steak plate, one fish plate, one chicken finger plate and one chicken sandwich with fries and 4 drinks was \$71. The fish and hamburger steak should have been about 26. That was some expensive chicken sandwich and fingers and fries. The chicken sandwich was a finger sandwich. We had salad that had on menu was \$3.50 and salad/entree was \$6. So was the salad 3.5 or 6? Costly lesson. The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities. For the small hunger in between, Whales Tail from Lyons offers **tasty sandwiches, healthy salads, and other small dishes**, as well as hot and cold drinks, and you can look forward to the scrumptious traditional seafood cuisine.
