The restaurant from [Bridgewater](#) offers **130** different menus and drinks on [the card](#) at an average \$10.6. What [Sylvia Petry](#) likes about King Wing:

Their wings are really good. But we ordered a fish sandwich and fish and chips. Seems like they used store bought fish sticks/filet; microwaved them and served them to us. It was nasty! Won't ever buy fish from them again. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, and there is free WLAN. If the weather are right, you can also have something to eat outside. What [Luisa H](#) doesn't like about King Wing:

Food wise good, staff wise...needs improvement. Went to pick up an order and the man working must have been overwhelmed (only my assumption) was scolding a little boy (maybe 7-8 years old) also working there for not assisting him the right way.
