The Menu of Samuri Fusion Sushi from Brooklyn contains about 283 different menus and drinks. On average, you pay for a dish / drink about \$11.6. What [Lana](#) likes about Samuri Fusion [Sushi](#):

We ordered a delivery from Samurai Sushi. The fish was fresh. The quality was quite decent. We had white pepper tuna (very good), spicy tuna salad (it was okay), and sushimi appetizer (good). The delivery was fast and well packed. [read more](#). What [M Saszare](#) doesn't like about Samuri Fusion Sushi:

- Our order was packed professionally and secure
 - 2 Bento box dinners with tax includes cost us \$33.50 which I think is a good value.
 - They happily substituted a fried side dish for a healthier option which was not on the menu.
 - The Sushi rolls were rolled badly, which would explain that the chef either was reckless or inexperienced, nevertheless it tasted delicious. [read more](#).
- In the Samuri Fusion Sushi from Brooklyn, a lot of fresh vegetables, fish, and meat are used to prepare *easy-to-digest, delicious Japanese dishes*, among the delicacies of this place are particularly the **Sashimi** and **Inside-Out**.
