Come to this sports bar and enjoy a variety of small snacks and menus while watching live football, tennis or Formula 1 games, because just eating and drinking is too dull!, The **barbecued food** is freshly prepared here on an open flame. At the bar, you can also relax after the meal (or during it) with an alcoholic or non-alcoholic drink, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a diverse assortment of beers from the region and the whole world.
