hubby and I finally managed to hug life in lb and they did not disappoint! it was really hard to choose between the ice or the milkshake, but at the end we got both milkshakes. they were so good and decadent. husband got retwik with milk and I ordered the smores with milk. instant favorite! definitely will be back for ice cream and more shakes! exquisite dishes, prepared with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, Moreover, the menu of this gastropub offers a good and especially large diversity of beers from the region and the world that are definitely worth a try. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, The meat is freshly **prepared** here on an open flame.
