these tacos are so extremely good! the only reason why I don't go more often is that there is always such a long line. that is obviously a sign that they are delicious, but I hate to wait. when I pass and see no line, I will normally stop for some. What [User](#) doesn't like about D Taco Pit:

Their carne asada and red chili salsa was good. Their food selection is limited to asada and pastor, suggest they add carnitas. They are too pricey, at 2.50 a taco or 10.00 for burrito. I had to ask what they as I didn't see the menu in the dark. It needs to be more prominent and visible before ordering. [read more](#). Anticipate the **varied, delicious [Mexican](#) cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
