I get lunch from here regularly. I like that it is authentic food and the fact that this place has been around for at least 30 years. If your food sucks you don't stay in business. Very good food, reasonable prices and the staff is helpful and courteous. [read more](#). What [User](#) doesn't like about Maria's [Mexican](#) Restaurant:

Well I am sad to say the food was only average last night. Not the 5 plus stars I was hoping for. The grandsons liked their chicken fingers but nachos we too hard for them to really get into but they did try. As for my burritos just average nothingspecial. Maybe it was an off night or end of the week. The staff was very busy but stretched thin. I loved it last time so I maygive it a 3rd try. [read more](#).
