I recommend top it pizza! they called to let me know that our order was on the way, because it would be a few minutes past the quoted time and rob that delivered our dinner is so nice. they also give back the common. What else could you ask? (ps: the food was also great [read more](#). As a guest, you can use the WLAN of the establishment at no extra cost. What [User](#) doesn't like about Top It Pizza:

Tried to order pizza from this place advertised as 24 hours at 11pm on Friday October 2nd and it was not open. Wish I was able to try this, change the hours online to reflect the actual hours. As one of the only locations open in this area it is extremely dissapointing to drive up and see this 24 hour location closed. [read more](#).
