The Card of Pollo Tropical from Lake Worth contains about **14** different meals and drinks. On average, you pay for a dish / drink about \$16.8. Pollo Tropical has garnered a range of impressions, revealing inconsistencies in food quality and customer service. Many patrons report issues with undercooked or cold dishes and inaccurate orders, particularly at drive-thru locations. Complaints about staff behavior have also surfaced, with some customers experiencing rude responses when addressing mistakes. However, not all feedback is negative; certain locations shine with friendly service, fresh food, and attentive management. Excitingly, improvements like prompt responses and cleanliness have been noted, yet the ongoing malfunction of key equipment, like the mango freezer, continues to frustrate loyal fans eager for a refreshing treat.
