I can't talk to her buffet, but the food department here is great! most of the whole food branded items will mark Vegan/Vegetarian on the back of the product. tons of vegan vegetarian options in the frozen section, the canned meals, and even in the snack isle. great selection of tofu and faux meat as well. updated by previous review on 2017-06-18 [read more](#). What [User](#) doesn't like about Whole Foods Market I St:

the food area is quite similar to its standard- whole food, so I will not comment too much on it. the salatable was at best average. we came two days in the evening. I just didn't see much vegan that was also good looking or inviting. many record labels were also gone, so I had no idea if they were safe. the whole operation felt unorganized. the location is great, so that's it. this is a 2.5 rounded to a 3.
