my favorite fts location. I had nothing I didn't like here, but I'm going in the rule for the hard shell tacos or the Burrito bullets when I'm in town to visit my in place. eat in and get them both work here super, and if they get in dine they can get free beverage refills! used to love these tijuana apartments, but quality seems gone down. last couple of times my chimichan gas was lubricated and had less filling. pretty disappointing. here is one of them last night they all looked the same. eating still tastes pretty good, but they pay the same and get much less than it looks worse, but that doesn't bother me too much. for 15 I would expect a little more here.
