What [User](#) likes about Plaza Azteca:

first the table side guac. that's worth it. so fresh and good. second, there is a dedicated [vegetarian](#)/vegan section of the menu. the vegan section (at this time) contains a burrito, a bowl (which I had), and tacos. the soy meat substitute was excellent and tasted like planchaged meat. the gourmet cheese is coconut-based and tasty, the part was a bit overwhelming for me because it is very rich. rice and beef and veg... You can at Plaza Azteca from Pittsburgh enjoy delicious [vegetarian](#) dishes, in which no animal meat or fish was brought into play, Particularly, many customers are looking forward to the diverse, fine Mexican cuisine. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and eat like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice spicy burger.
