It's a wonderful place. Seems like it's family owned and the cooks/owners seem to care a lot about their food. I really appreciate the effort. Food is always amazing and very consistent. Mantoos is a must! [read more](#). You can use the WLAN of the place free of charge. What [Hashir Siddiqui](#) doesn't like about Afghan Kabob:

Reserved for 7 people and was told 30 minutes before arriving that they are out of rice. Who runs out of rice? They have a clown show running here. Save yourself from a headache and spend your money elsewhere. [read more](#). The [catering service](#) is also provided by the restaurant for its customers, The customers also rave about the fine, airy flatbread that can be dipped into the homemade hummus or a yoghurt dip; the exciting combination of figs with goat cheese is also one of the favorites from the diverse cuisine of the **Middle East**. You can also look forward to delicious [vegetarian](#) cuisine.
