What [User](#) likes about White Castle: what can you say? iconic. white castle also serves bark meat again with its throw 1920whatever burger. they are like 3x the price of normal pink slim burgerslider but still worth it. But I think they should only make the real cornliders. the regulars will certainly have bad effects on my health [read more](#). The restaurant offers free WiFi for its customers. What [User](#) doesn't like about White Castle:

white castles are white castles, but I have to give the opening manager props. only one there and opened the load. of course the service was slow. but everything was hot, and he kept his cool with such a delimma.
