What [vikingteacher](#) likes about Longshot:

We ate here for dinner as part of our stay at Arrive and we were not disappointed. We had a burger and fries with a build-your-own milkshake and everything was delicious. It was also a lot of fun to hang out for a couple of hours and play Shuffleboard before heading up to our room. [read more](#). What [Gordon Baker](#) doesn't like about Longshot:

The bar is good but food was terrible. Had Birrilla Tacos they were just dry meat with burnt corn tortillas. No cheese as advertised. Korean Chicken Sandwich had no flavor not sure why it was called "Korean". Would return for the bar but not food. [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only flavorful dishes, but also a large and comprehensive assortment of good beers and other alcoholic drinks that compliment the food, For a snack, the yummy **sandwiches**, small salads and other snacks are suitable. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Here, the *meat* is freshly prepared on an open flame.
