What [User](#) doesn't like about Pops Fish And Shrimp:

\$30 dollars later.Drove by many times going to our lake house. We finally stopped. Very sad ?. My wife and I had high hopes for this place as they have a food truck outside while getting the restaurant renovated behind it. My wife got the small combo, comes with 1 piece of catfish, a few shrimp, 2 hush puppies and fries. The seasoning used on the catfish tasted like pizza seasoning.I got the Poyboy fish meal. Hush puppies and fries.All of it was horrible.The oil they used was old and that's all you tasted. Everything tasted burnt.Shrimp were over cooked and hard, hush puppies were supper dry, fries were over cooked as well, everything had a burnt old taste to it.Will not be back.Sad to say the least. [Crispy pizza](#) is baked **hot from the oven** at Pops Fish And Shrimp in Quinlan using a traditional method, The *meat* is freshly cooked here on an open flame. Also, they serve you delicious seafood dishes.
