the main reason why I give them 2 stars is because I am 5 times here and they have something wrong 4 out when 5 times. and the line is very slow, it is incredible that I have never seen a Chick-fil-A so slowly in my whole life! instead of a star they get 2, because I actually got my whole order right and I was only in tune for maybe 20 minutes this time and the line was not even on the parking space.
