it is expected that they will be told that they do not have vegan options, but was greeted with a smile and said that they would be a really delicious coconut-based vegan. When the weather is nice you can also eat outside. If you're craving some zesty *South American cuisine*, you've come to the right place: exquisite meals, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, You shouldn't miss the opportunity to try the delicate [pizza](#), baked straight out of the oven in an original manner. In this locale there is also an extensive selection of **coffee and tea specialties** not to forget, and you can expect original **Italian cuisine** with classics like pizza and pasta.
