What can I say about this place? How about amazing is not even putting it in the right class. It's more like I would give up my kids cause imos makes me happier than they ever will and a lot less expensive. I'm just joking about giving up the kids cause they don't even deserve to be recognized in the same sentence as are lord and savior Imos Pizza. Can't wait to see the crew next week for a couple of slices of that h... **read more**. The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities.
