It's low-fat (I assume). But healthy? Just ate here for the second time. Both times my entrées came with broccoli... but only three tiny florets! I expect slightly more for a side of vegetables at a place that claims to be healthy. (And has a carrot in the logo, no less!). Eat here if you want something fast and maybe if you're trying to lose weight, but don't count on getting a balanced meal. [read more](#).
