The server took the time to greet me approaching the counter. She also gave me a second to gather my thoughts, then ask me what I would like. I do know what I want once I enter the door, sometimes it pays to review the menu for specials. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [User](#) doesn't like about Subway:

literally so slow. we did online order and they didn't even done a single thing to get ours ready when i got there. they are out of most of there stuff and not real friendly. we have had trouble with them plenty of times before.
