Here you can find the [menu](#) of Eli Kathy's Family in Grandview. At the moment, there are **15** dishes and drinks on the menu. Eli and Kathy's is a charming eatery that stirs mixed emotions among its patrons. While the establishment boasts friendly customer service and a nostalgic atmosphere, the food quality remains uneven, swinging from delightful to disappointingly salty. Although the prices have crept up in recent years, many loyal customers still find value in the generous portions and favorites like burgers and chicken strips. The restaurant's cleanliness leaves room for improvement, especially in the restrooms. Ultimately, Eli and Kathy's remains a beloved local spot, appealing to those who appreciate a good meal and the chance to treat their furry friends.
