Here you can find the [menu of Planet Pho](#) in Kailua. At the moment, there are 15 dishes and drinks on the menu. You can inquire about [seasonal or weekly deals](#) via phone. What [User](#) likes about Planet Pho: 5 stars, but the app doesn't let me guess because not one all veg restaurant. this place has really good food. I had a lemongras tofu sandwich in a roll. it was very good. also the crispy noodles with sweet and tofu. opens at 10 o'clock, which is why we chose this place. other places around opened a little later. I would definitely come back if I were in oahu. [read more](#). The restaurant offers free WLAN for its customers. What [User](#) doesn't like about Planet Pho:

Chicken pho takeout had the chicken in broth already, have never received it like that before. Pho tasted like it already had hoisin sauce in it, weirdly sweet. Coconut tapioca tasted like cake frosting. Spent \$22 on those two items. [read more](#). At Planet Pho from Kailua you can **savor delicious [vegetarian courses](#)**, in which no animal meat or fish was processed, Besides the delicious sandwiches, healthy salads and other snacks also make a good snack. The menus are prepared according to authentic Asian style, and you can look forward to the fine typical [seafood](#) cuisine.
