What **[User](#)** doesn't like about Audrey Jane's Pizza Garage:

Their website will take an order for pick up even if they are closed. Order was taken with a quoted pickup time.

When I arrived, I found them closed after a 45 minutes drive. They still charged me over \$100 and after numerous attempts to reach them for a refund, no response for 3 days and counting. This is unacceptable and they should ensure their website aligns with their actual business hours/days. **[read more](#)**.
