A comprehensive [menu](https://menuweb.menu) of Whataburger from Biloxi featuring all 13 dishes and drinks can be found here on the menu. Whataburger, a beloved fast-food establishment, delivers a blend of exceptional and disappointing experiences. While many patrons rave about the delicious, hot burgers and crispy breakfast items—like the sausage and cheese taquitos—others express frustration over slow service and unfulfilled orders. Issues with the app and inconsistent food quality, from lukewarm fries to poorly made malts, have left some craving alternatives. Despite these setbacks, commendable staff, like a helpful manager who aided in retrieving a lost phone, highlight the restaurant's potential. Overall, Whataburger remains a place of highs and lows for diners.
