The restaurant from Washington offers **15** different **dishes and drinks** on [the menu](#) at an average \$8.5. In a culinary landscape marked by convenience, this restaurant serves up delicious comfort food that is consistently praised for its freshness and affordability. However, the dining experience is marred by reports of rude staff interactions and instances of unsanitary conditions. While some diners appreciate the quick service and accommodating personnel, others have encountered significant issues, including missing sandwich ingredients and hygiene concerns. Despite the positive attributes of the menu, potential patrons may want to approach this location with caution, as service quality and cleanliness appear to be inconsistent. A careful inspection of orders is highly advised before indulging.
