What [User](#) likes about Great American Cookies:

? I ate here this evening and was helped by a wonderful young lady named Madyson. She let me take my time because I didn't know what I wanted as it was my first time there. The cookies and ice cream were amazing! I will definitely be back the next time I'm in Conway. Thanks again Madyson.??? [read more](#). I tried 2 cookies from here today (chocolate and white piece macadamia) cuz I forgot that this cookie was also here. but frankly, they're just okay. the white piece seemed a tinted undercopper, but the taste on both was only standard, like a cookie from a bakery. not the super cheap, but like the cookies that are about 5-6 dollars for a dozen. there are 2 better cookie options in the city so that I stay with them.
