I met some friends there. Had no idea there was even a Mexican restaurant in Fyffe. I got chicken and steak fajitas. Food was really good. Definitely have to go back. [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and eat. What [User](#) doesn't like about San Antonio's:

Food on the average is way too salty. I have eaten there several times and occasionally it's not too salty. I think it's the cook that's their most of the time. The Los Poblanos that was in Rainsville al was much better food than this. The service is good but the food could be better. [read more](#). Anticipate the **varied, scrumptious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
