0 stars if possible...No Fountain DrinksNo ParmesanNo Pepper FlakesNo PlatesPizza served in the box...Our party of 7 was served in 10 minute intervals, by the time I got my Pizza (a medium Pep w/ olives) basically everyone else had eaten theirs... While I got to sit and watch, not even an apology from the waitstaff or the manager until the food came out.The problem is they have a bunch of kids running the place, who can't hold themselves accountable.I understand now why this place is closed until 3 in the evening, it's because nobody is actually running it. What I don't understand is how a; Medium Pepperoni lovers, a regular breadstick, and 3 drinks came out to \$45 dollars... The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, and there is no-charge WLAN. What **User** doesn't like about Pizza Hut:

pizza is great. the delivery this time was terrible. the time was 35 minutes st most, they used to deliver the doorstep. Door Dash said 507pm arrival time (I ordered at 424pm) pizza did not arrive until 530pm [read more](#). If you're desiring some zesty South American cuisine, you've come to the right place: delightful dishes, roasted with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, Generally, the dishes are prepared fast and fresh for you. There's also tasty pizza, baked fresh using original methods, and you can enjoy here fine American meals like *Burger or Barbecue*.
