The food here is absolutely disgusting. I had high expectations for the shake shack .. I've heard it referred to as the 'in-n-out of the east coast' .. this place is garbage. The only things worth trying is the custard and the shakes. The food is disgusting though. I almost puked after leaving and had a stomach ache for the rest of the night. [read more](#). If you're desiring some spicy South American gastronomy, you're in the right place: delightful menus, made with fish, sea creatures, and meat, but also **corn, beans, and potatoes** are in the menu, and you can indulge in delicious American meals like Burger or Barbecue. The burgers of this place are among the highlights and are usually served with filling sides such as French fries, leaf and cabbage salads or wedges, For a snack, the tasty *sandwiches*, healthy salads and other snacks are suitable.
