What [User](#) likes about George's Family:

Really? this restaurant. we love the breakfast menu, good portions, hot and very good. I would not recommend going near the conclusion. the servier staff is ready to close, we were there an hour and 45 minutes before 8:00 clock, leaning over table to fill sugar, salt etc. I made myself uncomfortable and gone. at 17.30 o'clock it should be good. manager are very nice and helpful. I was shocked to say that they were so worried about covid they had waited us in the car. only to the person who serves our drinks, put them on the neighboring dirty table with ppl still sitting. we were sitting at 1030 and finally a waitress came at 1100 and she was very sweet. eating was good, but not sure if I would go back. Furthermore, the surroundings of the **original American diner** turns the meal into an extraordinary experience, there are also tasty vegetarian menus on the menu.
