What [User](#) doesn't like about Gonzalez's: Ordered from GrubHub. First time trying this restaurant, will be the last time. They forgot the chicken mole dinner, the pork carnitas have way too much fat and gristle and the chicken enchiladas are too spicy for my husband to eat (and he puts hot sauce on almost everything). Called the restaurant to let them know about the missing dinner and they hung up on me. [read more](#). The fresh and fine [juices](#) listed on the drinks menu optimally complement the meals of the restaurant, With the bite-sized, Tapas, you can't absolutely nothing wrong, especially because there is something for every palate.
