What [User](#) likes about Blaze Pizza: from their fast-fired pizzas to their fresh salads and homemade natural limonades is always an intelligent choice. In fact, all are real and fresh, free from chemicals, additive and everything artificial. exceptional quality at fast speed? Yes, please! [read more](#). What [User](#) doesn't like about Blaze Pizza: if we are looking for a cheap pizza option, we usually go with a blaze. a large pure vegan cheese pizza costs about \$15. the crust is very thin, and the sauce to be cheese ratio is a bit on the sose heavy side. even if we pay for "Extra cheese", there is only one scanned sprinkling, but it still meets the demand and the delivery is cheap. if I want a really good vegan pizza, I usually go with mellow mushroom.
