The restaurant from NEWHALL offers **15** different *dishes and drinks* on [the menu](#) at an average \$9.3. What [User](#) likes about New Kyoto [Sushi](#):

dissatisfied by the 68% review, but I am happy that I come regardless of the evaluation. service was excellent and eating above average. came with a party of 4 Japanese natives from japan. also here they have reinterpreted the quality of the fish and the excellent service. the price is average and that is quite good at quality. highly recommended. [read more](#). The restaurant offers free WLAN for its guests, Depending on the weather, you can also sit outside and eat and drink. The rooms on site are accessible, and therefore no problem for guests with wheelchairs or physical disabilities. What [F H](#) doesn't like about New Kyoto [Sushi](#):

Service sucks! Server is annoying and continuously reminding of the all you can eat policy every 5 minutes! Food is so-so! Very stressful dinner we had here. We will never come back. They remind you about everything 10000001 times. Please read the guidelines before you order food. I would not even give them Star. Service -0. [read more](#). The restaurant also offers its visitors a catering service, on the menu there are also a lot of Asian meals. The delightful [Sushi](#) such as [Nigiri](#) and [Inside-Out](#) however, is the undisputed highlight of this restaurant, and it's made with lots of fresh vegetables, fish and meat, **easily digestible Japanese dishes** cooked.
