A complete [menu](#) of Sequoia Burger from Sebastopol featuring all 14 meals and drinks can be found here on the menu. Nestled on the outskirts of [Sebastopol](#), this roadside burger shack is a nostalgic dining spot for locals, serving classic burgers, generous portions of hand-cut fries, and indulgent milkshakes. While the burgers are fresh and flavorful, some patrons find them lacking in seasoning and too small for the price. The fries, however, receive rave reviews for their massive portions, often enough to share among several diners. Despite its charm and loyal clientele, rising prices and long wait times detract from the overall experience, leaving some customers questioning the value. Still, if you crave a trip back to simpler times, this place remains worth a visit.
