When the weather is nice you can also eat and drink outside.

What [User](#) doesn't like about Official Wings:

I ordered 10 wings on 5/29/2022. I asked for 5 grill and 5 nashville hot. it was so salty that neither my man nor I could eat it. they can see the lawry season salt in both aromes. we just tasted salt. it seemed that the chicken was reheated (not freshly cooked) immersed in a sauce and then immersed in a kind of lawrys seasoned salt, then served me. \$26 for 10 unbeatable wings.
