I tried. definitiw no fan though I had the fish sandwich and it was goo. I can't keep my whole review on it. I like the chicken strips, but the market is the fresh turkey bacon. [read more](#). What [User](#) doesn't like about Arby's: short staffed, forgot to make my order. when I asked about it they forgot what my order was. The nighttime manager is too soft spoken for the employees to listen to him. The manager asked the back line person to make my order while he made another order, he didn't let them know that it was a special order and just threw it up in the bin and didn't mark it as special made [read more](#). Arby's from Anniston is respected for its **exquisite burgers**, to which spicy fries, salads and other sides are offered, You'll find tasty South American meals also on the menu. As a rule, most dishes are prepared quickly for you and served, For a snack, the fine sandwiches, small salads and other snacks are suitable.
