On this site, you will find the **complete menu** of Subway from Germantown. Currently, there are **11** dishes and drinks available. While this local Subway offers a mix of experiences, recent visits reveal a concerning trend in service and food quality. Customers frequently express frustration over online orders, highlighting delays and incorrect items, leading to lost lunchtime moments. Although a few praise the taste of particular sandwiches and the friendly staff, many complain about unremarkable food quality, including stale bread and inadequate toppings. The app's functionality also garners criticism, complicating the ordering process. Despite some bright spots in service, the overall consensus suggests a need for improvement in staff training and food consistency to retain loyal patrons.
