I was skeptical, but I ordered it and added some extra toppings, of course. was somehow expensive, a tasty bite for me to celebrate the weekend and not cook a meal itself. was better than a frozen vegan pizza! [read more](#).

What User doesn't like about Toppers Pizza:

I have the vegan buffalo chicken pizza. was disappointed that I had to get a whole pizza and could not just get a piece. also no salate available. the buffalo huh was good, but overall it wasn't so great and was really dry. I just got the vegan buffalo wing myself. I'd try again. [read more](#). If you want to try delightful American meals like burgers or barbecue, Toppers Pizza from St Cloud is the place to be, There are also tasty *South American* dishes on the menu. Additionally, you're in for original **Italian cuisine** inclusive of delicious classics like pizza and pasta, Also, you shouldn't miss out on the tasty pizza, traditional freshly baked in a wood oven.
