What [User](#) likes about The Jam: the barkeeper devon (not sure if I spell it right! was so brilliant and friendly. had the best steak in the graphic (yes even compared to all the others who allegedly "bes". everything was perfect and tasty and the champagne was great! the new chef is fantastic! also the phillie of my man was incredible. [read more](#). What [User](#) doesn't like about The Jam:

Food was an hour late. Drink was really watered down and the server forgot to put in half our order. I love the live music, the food is decent but nothing special. If you want a \$13 burger with a beer on tap and good live music sometimes, this is an alright place to go. For anything else I'd go anywhere else [read more](#). The Jam from Arcata is a suitable bar to **have a beer after work**, and sit with friends or alone, There are also scrumptious **South American** dishes on the menu. Furthermore, you'll find delicious American meals, like for instance [burgers and grilled meat](#) on the menu, You shouldn't miss the opportunity to try the flavorful [pizza](#), baked straight out of the oven in an original manner.
