I'm going about 2-3 times a month. Always new and stack selection, always fresh, and they will suggest recipes if you ask or want to try something new. Great place. [read more](#). What [User](#) doesn't like about Captain Bob's Fresh Seafood:

Okay, food. Two people can eat for about \$50 \$60. Portions are small for [seafood](#), but they give you a lot of frits. You order at a takeout window and they call your number while waiting in the connected dining area. Baked or boiled very casual. Our table had tuna, scallops small and shrimp nothing outstanding. I thought the scallops could have been cooked more. [read more](#).
