You can inquire about **changing offers** via phone. What [User](#) likes about The Freezerie: it is great to visit a local ice shop. I always have difficulty deciding what taste to get, what a dilemma I don't often have as a vegan! They change it every time a taste is sold out so that they never get tired of having the same. the milk free ice is very creamy and I prefer it as they can find in food stores. the owners are very beautiful and enthusiastic, and the load is clean and well maintained.
