shows the best burrito in the opposite. I recommend the california burrito. it is crispy and full of aromen. when it comes to Mexican food, everyone has their own idea of what it should be. please, and put it on your try-it list. the only criticism I can offer is that the hours of the operation can be met and missed a bit. even with this bare it deserves 5 stars for taste and friendliness. BUT the last time my husband went to get food from them; the lady taking the order charged the wrong price for the tacos and she knew she was doing it .. Because we were regulars and very good tippers and always ordered [mexican](#) tacos the last time we ordered, she repeated the order MEXICAN TACOS , when she gave us the order s... [read more](#). Get excited about the diverse, tasty Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), and you can enjoy here fine American dishes like **Burger or Barbecue**. With fresh seafood, meat, as well as beans and rice, here they also South American cook.
