eating was a basic [Mexican](#) fairy. wait they personal was friendly, but there were only 2 running the whole place. I've already eaten here and had low expectations in size. It's okay, but not the best. [read more](#). Look forward to the **diverse, delicious [Mexican](#) cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), At the bar, you can relax with a **cool beer** or other alcoholic and non-alcoholic drinks.
