the restaurant was of course short busy, but rico has treated every single table efficiently, professionally and with a cheerful smile on his face. he showed a very positive attitude and knew the menu well. He even offered to lower the shadow when he noticed that the sun appeared in my face. the food came out in time and was exactly what we expected. Thank you. rico for her excellent service and her beer. [read more](#). What [User](#) doesn't like

To try and for a moment to have the feeling of being in an iconic American Hollywood production; that's not at all unusual in this genuinely styled decorated diner, **delicious [vegetarian dishes](#)** are also in the menu available. In this restaurant there is also an large diversity of *coffee and tea specialties* not to forget, here they serve a **diverse brunch** for breakfast.
