What [User](#) likes about Snowbots:

it was really delicious the cone was filled with nutella and the ice was really good. I would have liked to get a better ice ratio, but overall it was excellent. [read more](#). As a customer, you can use the WiFi of the restaurant free of charge. What [User](#) doesn't like about Snowbots:

it's still codified. in the business woman immediately puts mask on her face. their two sons were maybe 4 and 8 mask and gloveless. I watched her older son mochi slit and split with his bare hands. within 3 minutes I saw the younger son go into the freeze box and fetched something and put him in the mouth with his bare hands. a minute later, the younger son from the counter took some food and put it back in his mouth... [read more](#). If you're hungry some spicy South American gastronomy, you're in the right place: exquisite meals, made with fish, sea creatures, and meat, but also **corn, beans, and potatoes** are on the menu, The guests of the restaurant are also thrilled with the comprehensive variety of various coffee and tea specialities that the restaurant offers. If you'd like something sweet to finish off, Snowbots does not disappoint with its good selection of desserts, and you have the opportunity to try tasty American meals like Burger or Barbecue.
