The food here is cheap and delicious, especially the general tso's chicken and lo meins. The lady working at the front is very sweet and polite too. The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical limitations. What [User](#) doesn't like about Jade Garden:

eating is okay, it's not the best I ever tasted. for the price they charge for eating, they would think they would offer free soda. I understand it, the pandemic was hard for everyone, but they don't even give lucky cookies. I only have three sauces when I have my food. I'm not gonna order from here again. a lot of luck with her business. [read more](#). In Jade Garden from Elizabeth, expect **versatile, tasty Chinese cuisine** that's traditionally cooked in a wok.
