Here you can find the [menu](#) of Steak 'n Shake in Bedford. At the moment, there are 15 menus and drinks on the food list. You can inquire about changing offers via phone. What [User](#) likes about Steak 'n Shake: great location in steak and shake! all in evansville have closed so it was nice to grab a familiar bite we didn't have in one. everyone was very friendly and polite and despite the not ordering of a child meal, we were brought some apple juice and apple sauce for our daughter. great place to bring the family! [read more](#). What [User](#) doesn't like about Steak 'n Shake:

we stopped at home on the way back. we ordered our food and when our number of young men was called in the kitchen, he knocked down our food and the mgr was rude. we will not be back. do not understand why people have to be rude, careless, and just wrong. we were talking to us as if we were dirty when we asked why our tablet was dropped on the tresor. [read more](#). Steak 'n Shake from Bedford is in demand for its mouth-watering burgers, to which **tasty fries, salads and other sides** are provided, The guests of the establishment also consider the large selection of differing **coffee and tea specialities** that the establishment offers. One also grills South American here with fresh fish, meat, as well as beans and rice, for breakfast they serve a *tasty breakfast* here.
